Dedication

I am the vine and ye are the branches: He that abideth in Me and I in him the same bringeth forth much fruit: for without Me ye can do nothing. (John 15:5)

Looking back, Graduation seemed like an eternity away, but now it's finally coming to pass and we wonder where the time has gone. It seems like just yesterday we started Elementary School, then Jr. High and on to High School and now we're finally Seniors.

Lord, we've worked so hard for our Diplomas. So many times we just wanted to give up but You were always right there giving us strength to go on, to do what our human minds thought impossible; but You made everything possible. Truely we can do nothing without You.

New Beginning . . . Graduation . . . the end of one part of our lives, but just the beginning of another — the beginning of new friends, places, and experiences. Lord we need You more now than ever because our parents, pastor, and teachers won't always be there to lead us; so Lord, You lead us. We dedicate our lives to You. Give us courage to always stand up for what we know is right, strength to carry on when the going gets rough, and faith in You to supply our every need. But most of all Lord, help us always to remember that without You we can do nothing.

The Espinosa's are missionaries to San Rafael, Argentina. They were here, attending our school, this fall.

Mrs. Espinosa honored us with a chapel lesson and slides of the country God has called them to. She presented the lesson to the elementary and high school. Please remember to pray for our missionaries, and the souls they reach for the glory of God.
